A VIRTUAL UPWARD AWARDS CELEBRATION!

Despite COVID 19, many leagues are still finding ways to play, but plans for Awards Night Celebrations remain in flux. In light of the uncertainty, **David Garrard** has produced a special **Virtual Awards Celebration** for your league!

What you get:

- A link to a 30 minute performance by David that includes TWO audience participation effects, a special Star Trick and a clear gospel presentation.
- A link to a 2 minute promotional shout out that can be personalized to show your event's date and time.

Of course, David remains available for in-person events should that be your preference.
